

## Ashburn Meadows Phase II

160 - Unit Garden - Style Apartment Community

Ashburn Meadows is a two-phase, 336-unit multifamily community offering a variety of outstanding amenities. First, the high-quality development provides residents who meet income qualifications an opportunity to live in Ashburn Village, a desirable master planned community in Loudoun County, Virginia. Ashburn Village offers more recreational amenities than any other planned community in the area, including a large sports pavilion, multi-purpose fields, hiking and biking trails, nearby schools and shopping, and a lake for fishing and boating. Additional amenities within the Ashburn Meadows neighborhood include a tennis court, a tot lot, and a clubhouse with a large swimming pool, children's pool, and fitness center. Individual residences also feature full-size washers and dryers, dishwashers, modern kitchens, and private balconies or patios.
