

Jackson Village Phase II

76-Unit Affordable Community Across Two Garden-Style Buildings

Jackson Village Phase II consists of two garden-style buildings totaling 76 units. The community features an assortment of one-, two-, and three-bedroom affordable apartments with EnergyStar® appliances and WaterSense® plumbing fixtures. Residents will have access to communal amenities such as the 24-hour fitness center, clubroom, game room, and large outdoor pool. Surface parking is also provided on site.
